Til alle medlemmer af Nordisk Vejforum

1. juli 2020

## Velkommen

Kære alle

I dag begynder en ny NVF-periode.

Det er altid spændende at tage hul på noget nyt, og vi glæder os meget til de mange aktiviteter, der ligger forude.

NVF kræver engagement af os alle, men ikke mindst af jer, der er medlemmer af en arbejdsgruppe, og af jer, der har sagt ja til at lede arbejdet som enten formænd eller sekretærer. I ønskes held og lykke. Vi vil gøre, hvad vi kan for at give jer så god en support som mulig, så vi sammen sikrer, at NVF bliver et stærkt og relevant forum for videndeling og viden-udvikling.

Vi skal sammen arbejde med FN's verdensmål, der fra i dag er NVF's strategiske grundlag. Det bliver interessant at se, i hvilken grad vi sammen lykkes med at synliggøre, hvordan vejsektoren kan bidrage med at indfri FN's verdensmål.

Hvis I ikke allerede har læst strategien, vil vi opfordre jer til at gøre det nu, det er spændende læsning.

Til slut skal der lyde en stor tak til den svenske NVF-afdeling, der overleverer et forbund i fin form. Vi håber, vi kan leve op til de forventninger, der er skabt med den foregående periodes svenske formandskab.

God arbejdslyst!

Venlig hilsen

Jens Holmboe  
Vejdirektør, Vejdirektoratet  
Formand (2020-2024)

Ib Enevoldsen  
Administrerende direktør, Rambøll Danmark  
Næstformand (2020-2024)

*NVF ledes af NVF's Forbundsstyrelse, som består af formanden og næstformanden fra de nationale NVF-afdelinger samt de nationale NVF-sekretærer. Ledelsen af NVF går på skift mellem landene. Danmark har formandskabet i perioden 2020-2024, hvor det overdrages til Finland.*

For all members of the Nordic Road Association

1 July 2020

## Welcome

Dear all

Today, a new cycle has begun for the Nordic Road Association (NVF).

It is always exciting to embark on something new, and we look forward to the many activities that lie ahead.

NVF demands commitment from all of us, but not least from those of you who are members of a working group, and from those of you who have agreed to lead the work as either chairpersons or secretaries. We wish you the best of luck. We are prepared to do what we can to give you as good a support as possible in order for us to ensure, together, that NVF will become a strong and relevant forum for knowledge sharing and development of knowledge.

Together, we will work on UN's Sustainable Development Goals, which – as of today – forms the strategic basis of NVF. It will be interesting to see, to what extent we will succeed in showing how the road industry can contribute to meeting the UN's Sustainable Development Goals.

If you have not already read the strategy, we urge you to do so now – it is intriguing to read.

Finally, we would like to express our sincere thanks to the Swedish Association, which hands over a Nordic association in very good shape. We hope we will meet the expectations generated by the Swedish chairmanship of the former cycle.

Enjoy the work!

Kind regards

Jens Holmboe  
Director General, Danish Road Directorate  
Chairperson (2020-2024)

Ib Enevoldsen  
Managing Director, Ramboll Denmark  
Vice-President (2020-2024)

*NVF is managed by NVF's Association Board consisting of the chairperson and the vice-president from the National NVF Associations as well as the National NVF secretaries. The management of NVF alternates between countries. Denmark holds the chairmanship for the period of 2020-2024, after which it will be handed over to Finland.*
