

# NVF & Leap to Zero Conference: Accelerating the Transition to Zero Emission Construction Sites

21–23 October 2025 | Fredrikstad, Norway

## Program Overview

### Tuesday 21 October – Site Visit & Welcome NVF & Leap to Zero

#### Afternoon program presented by NVF

- **14:00 Welcome & Departure**  
Meet at Quality Hotel Fredrikstad for departure to a **zero-emission construction site: RV 22 Hafslund – Dondern**. Experience first-hand how emission-free technologies are already transforming the field.
- **17:00 Return to Hotel & Free Time**  
Arrive back in Fredrikstad. Time to explore the city at your own pace.

### Wednesday 22 October – NVF & Leap to Zero – Full Day Program

#### 08:30 - 14:30 Morning program presented by NVF

- **Welcome & Overview**  
*Gina Vibeke Ytterborg (Statens Vegvesen)*
- **Introduction to the Leap to Zero Initiative**  
*Peter van Schaik (Rijkswaterstaat)*
- **Nordic Construction Market Outlook**  
*Jörgen Simu (Trafikverket)*
- **Emission-Free Technology in Planning & Procurement**  
*Anne-Grethe Nordahl & Karin Sørmo (Statens Vegvesen)*
- **NPRA's Action Plan for Emission-Free Sites**  
*Per Fjeldal (Statens Vegvesen)*
- **Enabling Transition to Zero Emission Machinery**  
*Magnus Lindgren (Trafikverket)*
- **Zero Emission in procurements and contracts in a Nordic perspective**  
*Randi Lekanger (Skanska)*
- **Lessons Learned from Zero Emission Infrastructure Projects**  
*Marit Loland Tveit (Rambøll)*
- **Municipal Role in Accelerating Zero Emission Transition**  
*Marit Hepsø (Oslo Municipality)*
- **Panel Discussion: Towards a Common Nordic Market**  
*Moderated by Jörgen Simu (Trafikverket)*  
*Panelists: Lærke Møller Sandsdahlen (CO-PI, Denmark), Páll Kolka (Iceland Road Administration), Philip Mortensen (Oslo Municipality), Magnus Lindgren (Trafikverket)*

#### Venue

### Quality Hotel Fredrikstad

Nygata 2, 6, 1607  
Fredrikstad, Norge

Statens vegvesen

Rijkswaterstaat  
Ministry of Infrastructure  
and Water Management

## 15:00 – 18:00 Afternoon program presented by NVF & Leap to Zero

- **Welcome**  
*Peter van Schaik (Rijkswaterstaat)*
- **Interactive Session: Original Equipment Manufacturers Speak Out**  
*What role will major equipment manufacturers play in the zero-emission transition?*  
Hear from leading OEMs – **Volvo, Komatsu and AMV Norway**  
– as they present their strategies on:
  - Sustainability, circularity
  - Battery systems
  - The future role of AI and automationSession format: Short pitches followed by panel discussion & audience Q&A.
- **Incentives for Rapid Transition**  
*Harald Maaland (Zero)*
- **AI's Role in Infrastructure Projects**  
*Anita Sengebusch (Statens Vegvesen)*
- **Wrap-up Session**

## Evening: Drinks & Networking

## Thursday 23 October – NVF & Leap to Zero – Morning Only

### 08:30 – 13:30 Morning program presented by Leap to Zero

- **Welcome & Introduction**  
*by Leap to Zero*
- **Cross-Border Collaboration in Zero-Emission Construction**  
*An Overview of developments in the Netherlands and Scandinavia – Presented by Leap to Zero partners*
- **Best Practice Spotlight: Volta**  
*Tobias van Oord (Martens en Van Oord)*
- **Growing Pains of Charging Infrastructure**  
*Gerben van den Berg (WattHub)*
- **Advancing International Policy for Zero-Emission Construction: From Awareness to Action**  
*Interactive session exploring how international policy can accelerate the shift to zero-emission construction equipment.*  
Led by the **Dutch Ministry of Infrastructure and Water Management, Rijkswaterstaat** in collaboration with **Bellona** and **Zero**
- **The Role and Potential of SMEs in Zero Emission construction**  
*Arjan Walinga (Bouwend Nederland)*
- **Looking Ahead: Next Steps & Future Sessions**  
*Peter van Schaik (Rijkswaterstaat)*
- **Closing Remarks & See You Next Time!**
- **Lunch & Departure**
